**MEMORANDUM IN SUPPORT OF
MOTION FOR ENTRY OF JUDGMENT**

Plaintiffs are the Trustees of the National Elevator Industry Pension, Health Benefit and Educational Funds (the "Trust Funds"). The Trust Funds are third party beneficiaries to the Collective Bargaining Agreement (the "Agreement") between the International Union of Elevator Constructors (the "Union") and HB Tech Elevator and Escalator Inc. (the "Defendant"). Pursuant to the Collective Bargaining Agreement, the Defendant is obligated to file monthly reporting forms with the Trustees indicating the number of hours worked by its employees who are elevator constructor mechanics and helpers covered by the Agreement. Along with these reporting forms the Defendant is required to submit contributions corresponding to the total number of hours worked by the Defendant's covered employees. These contributions finance the Trust Funds and provide pension, medical and educational benefits to the Defendant's elevator constructor mechanics and helpers.

The Plaintiff Trustees filed this action on June 6, 2002 to collect contributions due the Trust

Funds from the Defendant.

The Defendant filed the monthly report forms for the months of September 2001 through and including May 2002 indicating the exact amount of contributions due, as required by the Agreement, but has failed to pay the proper corresponding contributions. The specific reports and an explanation for the amounts owed has been determined as set forth in the attached Affidavit of Robert Milano of the NEI Trust Funds. (See Exhibit "A").

Accordingly, the Defendant is obligated to the Trust Funds for the following:

1. Defendant is obligated to the Plaintiffs in the amount of \$44,004.45 in monthly contributions. This amount differs from the amount set forth in the Complaint due to Defendant's continuing failure to make proper and timely contributions to the Funds.

2. Defendant is obligated to the Plaintiffs in the amount of \$8,800.89 in liquidated damages pursuant to the terms of the Agreements and Declarations of Trust of the Trust Funds, and pursuant to 29 U.S.C. §1132(g)(2)(C)(ii). This sum is 20% of the above monthly contributions due.

3. Pursuant to the terms of the Agreements and Declarations of Trust of the Trust Funds, and pursuant to 29 U.S.C. §1132(g)(2)(B), the Defendant is obligated to the Trust Funds for interest on delinquent contributions. These interest charges are calculated on the sixteenth of the month and are assessed one-month in advance on all unpaid items as of the fifteenth. Moreover, these interest charges are calculated at the Internal Revenue Service rate in effect during each month that a delinquency exists and will be calculated on the outstanding balance on the fifteenth of each month whether the balance is comprised of either principal, interest or both. The Internal Revenue Service rate in effect for the months of September 2001 through and including May 2002 was nine percent (9%). Accordingly, Defendant is obligated to the Trust Funds in the amount of \$1,088.21 in interest for the aforementioned months.

4. Pursuant to the terms of the Agreements and Declarations of Trust of the Trust Funds, and pursuant to 29 U.S.C. §1132(g)(2)(D), Defendant is obligated to the Trust Funds for all attorney's fees and costs associated with the cost of collection, as described in the attached Motion for Attorney's Fees and Costs. Defendant is obligated to the Trust Funds in the amount of \$1,325.20 in attorney's fees and costs.

The Defendant is obligated to the Plaintiff Trust Funds in the amount of \$55,218.75 in contributions, interest, liquidated damages, costs and attorney's fees.

Respectfully submitted,

**MEMORANDUM IN SUPPORT OF
PLAINTIFFS' MOTION FOR ATTORNEY'S FEES AND COSTS**

NEI Trust Funds' request for attorney's fees and costs is filed pursuant to Section 502(g)(2)(D) of the Employee Retirement Income Security Act of 1974, as amended, (ERISA) 29 U.S.C §1132(g)(2)(D), which provides:

In any action under this subchapter by a fiduciary for or on behalf of a plan to enforce section 1145 of this Title in which a judgment in favor of the plan is awarded, the court shall award the plan -

(D) reasonable attorney's fees and costs of the action, to be paid by the defendant, and ...

In Teamsters Local 115 Pension Plan v. Yahn & McDonnell, Inc., 787 F.2d 128, 133 (3rd Cir. 1986), the Court stated "[b]ecause of the clear language of the statute [referring to ERISA Section 502(g)(2)], we join the Second, Fifth and Ninth Circuits in holding that in successful actions for delinquent payments, 'attorney's fees are no longer discretionary'" citing, Operating Engineers Pension Trust v. Reed, 726 F. 2d 513, 514 (9th Cir. 1984); accord, O'Hare v. General Marine Transport Corp., 740 F.2d 160, 171 (2nd Cir. 1984); Carpenters Amended and Restated Health Benefit Fund v. John W. Ryan Construction Co., Inc., 767 F.2d 1170 (5th Cir. 1985).

Based on the foregoing, NEI Trust Funds respectfully request an award of their attorney's fees and costs incurred in this action in the amount set forth in their counsel's statement.
